Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Heb 13:6: "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do unto me."

British military insider: World War III is being staged; starting with Israel and Iran

February 18, 9:07 PM [LA County Nonpartisan Examiner](#) Carl Herman

US "leadership" and their [corporate media minions](#) are [pushing juvenile-level propoganda for war with Iran](#); lies that anyone can verify with a few moments' attention. If you haven't already confirmed the Orwellian-level disinformation, stop and read the above two links now.

Many people hypothesize the [confirmed lies for wars with Iraq and Afghanistan](#), and a final war with Iran, is to control oil. Connected is the theory that US political and economic "masters" are so confident in their propoganda, and so correct in their conclusion that the critical mass of humanity is too feeble to stop them, that they brazenly move forward for global hegemony.

Below is Bill Ryan's video explanation of his interview with a vetted British military insider discussing the planning of manipulated global war ([transcript here](#)).

The [highlights](#) from Bill Ryan in five bullet-points and nine paragraphs:

- *There is a planned Third World War, which will be nuclear and biological. Our source believes that this is on track to be initiated within the next 18-24 months.*
- It is planned to begin with a strike by Israel on Iran. Either Iran or China will be provoked into a nuclear response. After a brief nuclear exchange, there will be a ceasefire. The world will be thrown into fear and chaos - all carefully engineered.
- *The extreme state of tension will be used to justify heavy social and military controls in all western first world nations. Plans are already in place for that.*
- During the nuclear ceasefire, there is planned to be a covert release of biological weapons. These will initially be targeted against the Chinese. As our source chillingly told us, "China will catch a cold". Biological warfare will spread further, to the west. Infrastructure will be critically weakened.
- *This is intended to be just the beginning. After this, a full nuclear exchange would be triggered: the "real" war, with widespread destruction and loss of life. Our source tells us that the planned population reduction through these combined means is 50%. He heard this figure stated in the meeting.*

This horrific scenario has been planned for generations. The first two world wars were part of the set-up for this final apocalypse - as is the centralization of financial resources that was precipitated with the equally well-planned financial collapse of October 2008.

The heads of state of Syria, Iran and Hezbollah met in Damascus to devise a Strategic War Plan against Israel!

NEWS BRIEF: ["That Was A War Council In Damascus: Iran's President Expects War 'Between Spring And Summer' "](#), Zero Hedge News, 3/1/2010

"The three-party meeting that took place in Damascus on Friday gathering the Syrian president Bashar al Assad, the Iranian president Mahmoud Ahmadinejad and the Hezbollah chief Hassan Nasrallah was a war council to devise counterattack plans and assign tasks in the event of an Israeli offensive on one or all parties ... 'The timing of the meeting, the way it was undertaken and the ensuing press conference that was held at its conclusion, all point to a strategic coalition being reinforced. This is the build-up of a new front that will spearhead the confrontation with the US-Israeli alliance and whichever Arab countries that may, expressly or implicitly, be affiliated with it'."

Those are somber words: " a strategic coalition".

While the Arabs have long devised a plan of war against Israel, this particular meeting is very significant because it allies nations which have never been close before: Syria and Iran.

Furthermore, this meeting moved the entire Middle East closer to war. When does this Arab leadership expect war to break out?

"The Iranian president said he expects war to break out somewhere between spring and summer of this year."

The role of Hezbollah in this war plan was further clarified.

"Meanwhile, the Hezbollah chief vowed to strike the Israeli capital, its airports and power stations if Israel dared to attack Beirut's critical infrastructure. 'Indeed, we are being exposed to a new discourse here, an unprecedented sense of self-confidence and an unheard-of preparedness for retaliation'."

Israel **has allowed** Hezbollah to build up an arsenal of over 10,000 tactical rockets, which could rain death and destruction down upon the tiny Jewish state. To make this future war **more likely**, Israel conducted an ineffective war against Hezbollah in July - August, 2006. This 33-day war ended with the vaunted IDF force in a stalemate with the weak Hezbollah. From that time forward, Palestinian forces throughout the region **believed they could fight a war with the IDF and win!**

Therefore, the likelihood of all-out war between Israel and her Arab enemies is **far greater than if** the Israeli Defense Force had achieved a clear and complete victory in 2006. This situation is so unbelievable that we can hardly believe it! Frankly, Cutting Edge has believed since the completion of that war in Lebanon that the Israeli government is baiting the Palestinians into launching a war which will result in their complete annihilation (Read full details of this prophecy in **NEWS2095**, entitled, **"Palestinians Are Confirmed As the 'House of Esau' of Obadiah 15-18)**

Remember, an Arab-Israeli war that will trigger World War III has been planned by the Illuminati since January, 1870 (Read full details in **NEWS1015**, entitled, **"The Incredible Satanic Vision"**).

This War Council meeting has aggressively advanced that plan. Remember, also, that Illuminized Freemasonry is firmly in control of this entire scenario, because Iranian President Mahmoud Ahmadinejad is a Freemason (Read full details in **NEWS2318**, entitled, **"Iranian President Ahmadinejad Revealed To Be A Freemason! Another Reason That Iran Will NOT Be Invaded or Attacked!"**)

If Iranian forces take an active role in fighting Israel, then Iran will be totally destroyed and not be able to

partake of the Russian-led invasion of Israel in fulfillment of Ezekiel 38-39 (**NEWS2200**). Therefore, we expect that Iran's war against Israel will be through the proxy armies of Syria, Hezbollah, the Palestinian Authority, Jordan and Egypt. This scenario would likely keep Israel from striking Iran.

However, the bottom line to this entire story seems to be that this alliance between Iran and Syria for the purpose of launching a coordinated war against Israel may set the stage for the prophesied destruction of the ancient city of Damascus, the capital of Syria. What is the wording of this prophecy?

[Isa 17:1](#) The burden of Damascus. Behold, Damascus is taken away from being a city, and **it shall be a ruinous heap.**

This literally means, Damascus will cease to be a city, and will become a heap of ruins. This total destruction is the type which one would expect from an attack using a Weapon of Mass Destruction. Normally, when a city is militarily conquered, she does not become a heap of ruins. The city might become substantially destroyed, but generally not the kind of destruction experienced when a city is militarily conquered.

Watch this development, for End of the Age prophecy is clearly marching toward the conclusion which God foretold over 2,700 years ago!

Further evidence of the strong influence of Islam within the Obama White House comes from two new sources.

NEWS BRIEF: " [Hamas-linked group has deep ties to Obama White House](#) ", by Aaron Klein, World Net Daily, February 24, 2010

"JERUSALEM – A radical Muslim group that was an unindicted co-conspirator in a scheme to raise money for Hamas **has an extensive relationship with the Obama administration** ... Last week, President Obama's top adviser on counter-terrorism, John Brennan, came under fire for controversial remarks he made in a speech to Muslim law students at New York University. The event was sponsored by the Islamic Society of North America, or ISNA."

"ISNA is known for its enforcement of Saudi-style Islam in mosques throughout the U.S. It was named by the Justice Department as an unindicted co-conspirator in its case against the Holy Land Foundation in Texas, which was found guilty in 2008 of raising money for the Hamas terrorist organization. Last year, Holy Land founders were **given life sentences for 'funneling \$12 million to Hamas. The Obama White House has deep ties to ISNA'.**"

This next story is shocking, as it visually demonstrates the depth of Islamic influence within the Obama Administration.

NEWS BRIEF: " [New Department of Defense Missile Defense Agency Logo: Can you say Islamic 'crescent'?](#)", By Chelsea Schilling, World Net Daily, February 24, 2010

"While some say a new Department of Defense Missile Defense Agency logo appears to have striking similarities to President Obama's campaign logo and an Islamic crescent, the government agency called that notion a 'ridiculous' idea thought up by 'people who are just different'." What is this logo and is it an Islamic Crescent Moon ? Let us look at it and see what you think.

"The logo features a red ribbon of color striking the center of a medium blue crescent. The crescent contains an eight-pronged white star. The Missile Defense Agency shows the following logo in the upper left corner of its website.

Some also say the agency logo may be suggestive of an Islamic crescent moon and star, as seen on Islamic flags."

This symbol surely looks like a Crescent Moon with a stylized star in the middle.

Since Obama ascended to the White House, he has demonstrated, time and time again, the numerous ways in which Barack Obama seems beholden to Islamic interests.

Israeli citizens also believe that President Obama is too pro-Muslim!

NEWS BRIEF: "[Obama needs to get his poll numbers up -- in Israel](#)", Reuter's News, February 24, 2010

Obama, who has made outreach to the Muslim world a feature of his presidency, has left many Israelis skeptical about his support for the Jewish state..."

" 'We are literally taking the security future of our families, our kids, and placing it in the hands of the president of the United States and that's no small thing', said the Israeli official, who spoke on condition of anonymity. 'Trust is an essential component of the peace process', he added, saying Israel ultimately looked to the U.S. president for support should it strike peace deals with the Palestinians or other Arab states that later unravel.

When average Jewish citizens living in Israel, under the guns of Hamas and Hezbollah, do not believe that they can trust President Obama because of his pro-Islamic leanings, the average American should sit up and take note. We have a new President who gives every indication of being more pro-Muslim than pro-Israeli.

But, even more troubling, Obama at times seems more pro-muslim than pro-American.

[Leading Russian Politician Calls For Legislation To Allow Fully Grown Human Cloning Of "Clever Talented People" ... And Other Human Clones For Organ Harvesting](#)

Leader of the Russian Liberal Democrats Vladimir Zhirinovskiy said on Friday cloning should be permitted in Russia and **proposed cloning himself "for the nation's benefit."** The State Duma, the lower house of the Russian parliament, passed a government bill on Friday prolonging a moratorium on human cloning, which had been lifted in 2002 and expired in June 2007. The law to be amended does not prohibit the cloning of cells and organisms for scientific and research purposes, human organs for transplantation, as well as the cloning of animals. "Scientists should work, we should not be afraid. **Cloning is a remedy for humanity... Let us grow people** and take their organs to replace [those damaged]," the controversial senior lawmaker said during a live broadcast on Russia 24 TV channel. "We should **clone clever, talented people**, a list of people to be cloned should be created. We should have new Einsteins, Kurchatovs, Tsiolkovskys, Pushkins," he went on. "This would be good, this would be a benefit for the nation," he said, adding the Liberal Democratic Party would seek legislation to allow human cloning.

[President Obama unveiled HIS Health Care Plan and it followed the Fascist Model!](#)

Remember, under [Fascism](#), private individuals continue to officially own private companies (Means of Production), but the government steps in with heavy regulation. These are the elements of Obama's plan.

NEWS BRIEF: "[Obama unveils revised \\$1 trillion health plan](#): No public option", MSNBC News, February 22, 2010

"WASHINGTON - Starting over on health care, President Barack Obama knows his chances aren't looking much more promising ... The 10-year, \$1 trillion plan, like the current Democratic version in the Senate, would bring health insurance to more than 31 million Americans who now lack it. Government insurance wouldn't be included ... **Obama would give federal regulators new powers over the insurance industry**, a reaction to a rash of double-digit premium hikes that have infuriated policy holders in California and other states."

Notice the elements which prove that this plan is going to follow the Fascist Model already installed in the Banking and Insurance industries, as well as with the automakers.

* [No Public Option](#) - this coded phrase means that the government will not actually put private insurers out of business. Ownership of private insurers will remain in private hands, and insurance will still be provided by private companies.

* President Obama will hand government regulators new authority over the insurance companies. This is the other leg of Fascism; heavy government regulation. Insurance premiums, as well as compensation packages, will come under government regulation.

Therefore, this entire industry is slated to be transferred to the Fascist Model, as are all other parts of the economy.

Just as we predicted, the loss of Ted Kennedy's Senate seat in Massachusetts is spawning a new, much more modest Health Care Plan. As we stated immediately after the Republican Senate victory in Massachusetts, the new Health Care Plan will be dramatically scaled back, but will be presented as a Bi-partisan plan.

"Still, any kind of win on health care would be good for Obama right now. For a president, victory often begets victory, defeat spawns defeat ... privately, a senior White House official sought to lower expectations, saying a solid single is better than striking out swinging for the fences."

We must continue to watch this scenario unfold. The Illuminati Plan for the entire economy is to overthrow the old Capitalist system and replace it with Fascism. That apparently is the model being sought in the Health Care Industry. <http://www.cuttingedge.org/newsletters/>

Canada officially declares that the Swine Flu (H1N1) epidemic is over!

Then, why did the CDC recommend that ALL people receive the annual regular flu shot!

NEWS BRIEF: "[H1N1 flu pandemic unofficially over for now in Canada](#)", Health Zone.ca, February 24, 2010

"While the World Health Organization says H1N1 has not peaked internationally, the pandemic is considered unofficially over in Canada. 'Clearly, in Canada, H1N1 is gone', Dr. Michael Gardam, director of infectious disease prevention and control with the Ontario Agency for Health Protection and Promotion, said Tuesday."

Swine Flu has been such a bust since it was officially declared last Fall, the epidemic is probably over in the United States and most foreign countries, as well. After all, we know that these genetically created viruses are deliberately created and distributed in order to give governments the excuse to impose new controls over its citizens, as these two [Illuminati Card Game Cards](#) clearly show. Remember, each card represents an action the Illuminati plans to take in order to overthrow the present civilization so the New World Order can be established. Therefore, we know that the CDC (Center For Disease Control) is in a leadership position of a plan to create the kind of epidemic which will result in government control known as a "Quarantine".

Now, let us return to our featured news story.

" 'There is really no flu around. That's everywhere across the country', Gardam said. Toronto Public Health closed the last of its mass vaccination clinics in January, but some physicians continue to offer the shot in their offices, said Dr. Barbara Yaffe, the city's associate medical officer of health. 'Over the last while we have had zero to two to three cases reported a week', she said."

Of course, the World Health Organization (WHO) does not agree.

"The WHO's emergency committee, composed of 15 experts, met Tuesday and said it's premature to downgrade the global flu outbreak ... Officially, Canada is still in pandemic mode and won't move away from level 6 on the alert scale until the United Nations agency does."

Now that the cat is out of the bag that the Swine Flu was much smaller of a problem than every government predicted, you would think that official health organizations would back off their insistence that everyone get vaccinated.

NEWS BRIEF: "[CDC Advisory Committee Recommends Universal Annual Influenza Vaccination](#)", MedScape Today, February 24, 2010

"All adults should receive an annual influenza vaccine beginning next flu season (2010-2011), a federal panel of immunization experts said today. The recommendation is a **major change** from existing guidelines for seasonal influenza vaccination, which include only certain groups. The Centers for Disease Control and Prevention (CDC) Advisory Committee on Immunization Practices (ACIP) **voted to expand its influenza vaccination recommendations to all people aged 6 months and older**, including healthy adults younger than 50 years, a decision that drew applause during the meeting in Atlanta, Georgia."

The government has always badly wanted to condition people to accept widespread vaccinations so that, when the time comes when Antichrist is on the world scene. New Age writings are filled with references to deliberately tainted vaccinations, so no one should be surprised at this information.

In the intense, chaotic atmosphere following the attacks of 9/11, President Bush seized dictatorial powers

Now, we learn a most chilling fact: the President's legal advisers told Bush that he had the authority to massacre civilians! Is this the reason so many tens of thousands of Iraqi citizens were murdered?

Is this spurious legal authority the basis upon which Bush launched his "[Depleted Uranium](#)" war on Afghanistan and Iraq?

NEWS BRIEF: "[Bush Lawyer Said President Could Order Civilians to Be 'Massacred'](#)", by Michael Isikoff, Newsweek, February 19, 2010

"The chief author of the Bush administration's 'torture memo' told Justice Department investigators that the president's war-making authority was so broad that he had the constitutional power to order a village to be 'massacred', according to a report released Friday night by the Office of Professional Responsibility."

While the rest of this article focuses on the issue of torture, the real impact of this legal opinion was probably to reassure the Bush White House that it could massacre an entire nation(s) through the Depleted Uranium Wars planned for Afghanistan and Iraq.

Once the President obtained this legal opinion, he could use it as the basis upon which he could annihilate the vast majority of the Afghan and Iraqi citizens. If a huge wall of criticism came his way later, 'W' could hide behind this legal opinion.

We posted a most important article on the subject of killing entire nations several years ago. Please take the time to read [NEWS2063](#), entitled, "BLINDING SANDSTORMS: HOW DEPLETED URANIUM KILLS AN ENTIRE POPULATION"

Once you read this treatise, you will understand the extreme distance which Skull & Bones Bush took this legal opinion. Not only did entire villages get 'massacred', but over the next 15 years, entire nations are going to be massacred.

And all because President Bush received the kind of legal authority which told him he could massacre civilians without recourse. Tens of millions will be most certainly die. The only question left unanswered is whether the hundreds of millions of people living in the "[Non-Integrating Nations](#)" in the Middle East will die; they certainly are daily breathing uranium-contaminated dust blowing from the battlefields of Iraq and Afghanistan. <http://www.cuttingedge.org/newsletters/>

Watch Beyond Treason

Department of Defense documents obtained through the Freedom of Information Act expose the horrific underworld of the disposable army mentality and the government funded experimentation upon US citizens conducted without their knowledge or consent.

Explore the illegal worldwide sale and use of one of the deadliest weapons ever invented. Was Gulf War Illness actually predicted by the DoD before hand? Massive High Level Resignations

Since the first of the year there has been a palpable pattern of exodus, from corporations! CEO's and CFO's and other noteworthy officers are suddenly giving their resignation, whether they have someplace else to go or not. Many give extremely vague reasons for leaving, or leave in such a rush that no replacement has been located, leaving the board or senior management to step in to fill the void. This pattern was first noticed by someone who works in the markets, and recognized the pattern as unusual. [Over 50 unexpected CEO and CFO Resignations in the Last 3 Weeks!](http://www.godlikeproductions.com/forum1/message981908/pg2)
<http://www.godlikeproductions.com/forum1/message981908/pg2>

These are almost all in the last 3 weeks, with about 15 in the last week. This follow the stock market closely, just anecdotally I have never seen this many in a year, let alone a month.

Of course the economy is lousy, but it has been lousy for over a year since the housing bubble burst and the Wall Street crash. This trend is new, and follows another noted trend - [Police Chief's](#) resigning in record numbers. Also, perhaps related, over [120 members of parliament](#) in the UK are retiring. The first 50 major CEO and CFO resignations are listed below.

1. [Sun Microsystems](#), 2. [Royal Bank of Scotland](#), 3. [Bank Leumi of Israel](#), 4. [Leeward Capital CEO & CFO](#), 5. [Wellpoint](#) (Chairmember), 6. [Ingersoll-Rand](#), 7. [Gasco](#), 8. [Syntel](#), 9. [Motion Picture, Television](#)

Fund, 10. [GrainCorp](#), 11. [Connaught Plc](#), 12. [Netplay TV](#), 13. [AgResearch](#), 14. [Zain Telecom](#), 15. [Ethan Allen Institute](#), 16. [Fahrney-Keedy Home & Village](#), 17. [Nordzucker](#), 18. [France Telecom](#), 19. [TransWorld Entertainment](#) (President/COO), 20. [Parlux](#), 21. [Cadbury](#) (3 People), 22. [PBR](#) (on March 1), 23. [Aeropostale](#), 24. [Cook Islands Tourism](#), 25. [Uranium International Corp](#), 26. [San Francisco AIDS Foundation](#), 27. [Borders Books](#), 28. [YTB International](#), 29. [Real Networks](#), 30. [Citi's North American Retail Banking](#) (Head), 31. [Phumelela](#), 32. [Bartow Regional Medical Center](#), 33. [NV Energy](#) (CFO), 34. [Shanda Interactive](#), 35. [NB Power](#), 36. [Empire Aero](#), 37. [Argentina Central Bank](#), 38. [Hong Kong Exchanges & Clearing](#) (CFO), 39. [Arbitron](#), 40. [Lihir Gold Ltd](#), 41. [Meredith Corp](#), 42. [Red Bull North America](#) (CEO), 43. [Golden Harp](#), 44. [Endo Pharma](#) (COO), 45. [Farmer's Capital](#), 46. [CLICO](#), 47. [Mirada](#) (Chairman), 48. [Remedial Offshore](#), 49. [Abercrombie & Fitch Co](#), 50. [Commerce Resources](#) (CFO)

As with the sudden and unwarranted [resignations of Police Chiefs](#) recently noted, there is more to this than meets the eye. Whereas CEO resignations are common, particularly during tough economic times when the stockholders are restless and boards determined to show some type of action on the leadership front, this recent spate of resignations is unusual because of the size and industry leadership of the companies involved. Someone watching the financial pages, where a certain weight must be attached to a corporation before warranting a mention, would notice the spate of resignations as unusual. These are corporations that translate to public policy or international influence or the state of the economy overall. These are not the corner grocery store, or the local bar. Thus, the comment by the poster, who stated he is "following the stock market closely" is pertinent. Many resignations are sudden, without a replacement in hand, or give vague reasons for the resignation. What is going on?

Where Police Chiefs are getting lectures on what steps may be required to quell riots in the near future, heads of corporations get a different message. Many have indeed heard the rumors about coming global catastrophes, and given the contacts most of these individuals have, have verified the rumors are being based on facts, not theory and speculation. Such verification can be nothing more than a raised eyebrow or a moment of silence where silence speaks volumes, but the message has been delivered. Many view the requirement that they stand in place, pretending that all is well, to be unbearable. Most of these individuals have climbed to the seat of power by being ruthless, putting themselves first, and would not operate out of a sense of duty while the ship goes down under any circumstances. They foresee being asked to maintain a façade that all is well when more than the economy crashes. They see what is coming and want to pull their wealth from stock and put it into things more substantial, to move inland from the coast and not be required to maintain a residence in any area that might become unsafe. They want their freedom to move, in short.

Scientists plan human genes for cows, goats

A proposal to **put human genes into goats, sheep and cows to try to get the animals to make human proteins in their milk** will be in the public spotlight next week. AgResearch says that if the experiment works, proteins from the animals could be used to make cheaper "biopharmaceuticals" to treat human diseases. **The company has already been breeding transgenic cows.** Now it wants approval to continue working with the cows, and add sheep and goats to the trial.

Canada To Approve Genetically Modified "Enviro-Mouse-Pigs" For Human Consumption (See Enoch Chapter 7: "And They Began To Sin Against Birds, And Beasts, And Reptiles, And Fish, And To Devour / Eat Their [Corrupted DNA] Flesh...")

A Canadian government department is poised to approve genetically modified pigs for the food supply, the Canwest News Service reported Friday. Sources told the agency Environment Canada will announce approval of the strain known as "enviropigs" Saturday. The strain would then need approval from Health Canada before the pigs enter the food market. The Yorkshire pigs were developed by researchers in Ontario at the University of Guelph, who spliced in genes from mice to decrease the amount of phosphorus produced in the pigs' dung, the report said. The genetic modification means the new strain of pigs produce 30 to 65 percent less phosphorus in their waste, which has been problematic in surface and groundwater around large livestock operations, Canwest said. Steven Liss, associate vice-president for research at the University of Guelph, said an application has also been sent to the U.S. Food and Drug Administration, but he had no idea how long it would take to get a response

Unicorns & the King James Bible

----- Original Message -----

Subject: unicorns

So what info do you have on the use of the word unicorn in Job, and Numbers? Did this creature exist, and since it is only used in the KJV what justification is there for this?

God Bless

My Response: One definite possibility is the Indian rhinoceros, of which there are still about 2000 alive today. They used to cover large areas, but are now limited to India and Nepal. They weigh about 4,500 pounds, can run at over 20 miles an hour; they have **one large horn** on the snout and their scientific name is Rhinoceros UNICORNIS.

In the original 1611 edition of the KJB, the editors placed "or Rhinoceros" in the margin of Isaiah 34:7 where it reads: "And the unicorns shall come down with them." It is still in the modern editions of the KJB. So the KJB editors were not ignorant of the possibility of the unicorn being a rhinoceros.

The Census Bureau Exposed

This is an expose' of the Census Bureau. [This video](#) itemizes the fundamental legal questions that the Census Bureau refuses, or fails to answer about its collection and use of personal information from every American (see questions below). This program aired on Matrix News Network (syndicated national television) in January of 2010.

Without any apparent authority the U.S. Census Bureau has expanded its information gathering activities. In addition to the once-in-10-years Census authorized by the Constitution, the Census Bureau conducts more in-depth "Surveys" of 250,000 Americans every month of every year. It has no Constitutional authority for that, in fact the Bureau is violating the 4th Amendment to the Bill of Rights by suggesting that Americans are "obligated" to provide any personal information whatsoever to government.

The Constitution allows the government to count people once every ten years, but does not require any American to BE COUNTED, OR TO PROVIDE ANY INFORMATION AT ALL, much less to provide personal information to some temporary worker (a complete stranger) who comes to your door flashing a Census Bureau badge.

Americans have been given very false impressions and presumptions of the authority of government to invade their lives. Even the Census takers themselves are often misinformed of the limits of government.

Once your information is out there, it is out there for good. There is no such thing as a "secure database" in government. Government data is bought, lost, stolen and viewed every day by everyone from law enforcement to criminals at all levels of society. Spill your life to strangers at your front door, or on the "questionnaire" at your own risk. Beyond that is the question, if we agree to pass over our private information to bureaucrats, is there any limit to what they will ask for next?

The USA has become something very different than the country of our origin, and we have ALREADY lost many of the rights and freedoms that were given to us by God and were protected for us again in our Constitution. Our Constitutional framers never imagined the spending, waste, taxation, intrusion, and aggression that our government now commits without restraint.

How did that happen? When our government pushes us we fail to push back so, after many decades of that, government simply sees no boundaries at all on its own presumed force and authority.

It is our government. It is our servant. Government can have no authority but that which it derives from us. But government employees, officials and representatives do need to be reminded of that on a regular basis.

QUESTIONS THAT THE CENSUS BUREAU REFUSED OR FAILED TO ANSWER (from Jerry Day's Matrix News Network segment: "The Census Is Getting Personal") I strongly suggest asking these questions of your Census Taker, especially if they show up with an "American Community Survey" form:

- 1) The Constitution authorizes government to count people but it does not authorize the taking of private information or even the names of individuals. From where does the Census Bureau derive authority to demand our private information?
- 2) Is there any limit to the amount and type of private information that the Census bureau may demand and collect?
- 3) Under what Constitutional authority does the Census Bureau collect information now from 250,000 people per month of every year?
- 4) The 4th Amendment to the Constitution prohibits government search and seizure of private information without a court warrant based on probable cause. Current Census policies violate that Amendment do they not?

- 5) By what Constitutional authority does the Census Bureau threaten penalties for failure to provide personal information?
- 6) The Census Bureau claims it maintains privacy of personal information. Are there any circumstances under which law enforcement or spy agencies can access Census information?
- 7) Since presumably Census data may be subpoenaed by law enforcement, may individuals refuse to answer questions according to the fifth Amendment?
- 8) Why has the Census Bureau decided to collect GPS coordinates for every home?
- 9) Virtually every government database has been either lost, hacked or compromised. Would the Census Bureau's claim of data security not be an outright lie or at best highly improbable?
- 10) How would the Census Bureau locate, protect and compensate those individuals whose data becomes compromised?

Bible Verses Regarding Nakedness

Gen 9:22 And Ham, the father of Canaan, saw the nakedness of his father, and told his two brethren without.

Gen 9:23 And Shem and Japheth took a garment, and laid [it] upon both their shoulders, and went backward, and covered the nakedness of their father; and their faces [were] backward, and they saw not their father's nakedness.

Gen 9:24 ¶ And Noah awoke from his wine, and knew what his younger son had done unto him.

Gen 9:25 And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren.

Comment: Canaan was Ham's son. God had already blessed Noah's sons including Ham here:

Gen 9:1 "And God blessed Noah and his sons, and said unto them, Be fruitful, and multiply, and replenish the earth." So the curse fell to Ham's son Canaan.

Exd 20:26 Neither shalt thou go up by steps unto mine altar, that thy nakedness be not discovered thereon.

Exd 28:42 And thou shalt make them linen breeches to cover their nakedness; from the loins even unto the thighs they shall reach:

Lev 18:6 None of you shall approach to any that is near of kin to him, to uncover [their] nakedness: I [am] the LORD.

Deu 28:48 Therefore shalt thou serve thine enemies which the LORD shall send against thee, in hunger, and in thirst, and in nakedness, and in want of all [things]: and he shall put a yoke of iron upon thy neck, until he have destroyed thee.

Isa 47:3 Thy nakedness shall be uncovered, yea, thy shame shall be seen: I will take vengeance, and I will not meet [thee as] a man.

Lam 1:8 Jerusalem hath grievously sinned; therefore she is removed: all that honoured her despise her, because they have seen her nakedness: yea, she sigheth, and turneth backward.

Eze 16:8 Now when I passed by thee, and looked upon thee, behold, thy time [was] the time of love; and I spread my skirt over thee, and covered thy nakedness: yea, I swore unto thee, and entered into a covenant with thee, saith the Lord GOD, and thou becamest mine.

Hab 2:15 Woe unto him that giveth his neighbour drink, that putteth thy bottle to [him], and maketh [him] drunken also, that thou mayest look on their nakedness!

Rev 3:18 I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white

raiment, that thou mayest be clothed, and [that] the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see.

Sin City Comes To Church

[Revolution Church](#) in Canton & Jasper, GA is doing an entire sermon series with a poker / gambling theme entitled "All In". (This is NOT a series that warns of the dangers of sin or gambling. This is a series that EMBRACES poker and gambling metaphors.)

This is wrong on so many levels. But, let's look at three reasons why this is wrong.

1) Taking a look at the "SURFACE" of the series we see an obvious mixing of the sacred and the secular at Revolution CHURCH. If there were ever a "pagan capital of worldlines, Las Vegas would be it. It's called "Sin City" for a reason. Therefore, bringing Las Vegas, poker and gambling into a CHURCH is a clear violation of God's Word.

[James 1:27](#): Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.

[James 4:4](#): Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God.

2) Last time we checked there are still a lot of Christians who believe that [gambling is a sin](#). Gambling is also an addiction that many Christians struggle with. So bringing Las Vegas, poker and gambling into CHURCH is a clear violation of [Romans 14:21](#) which says, we should not do "any thing whereby thy brother stumbleth, or is offended, or is made weak".

3) If you listen to the sermon you'll find that Pastor Lamb (should be Pastor Leading the Lambs to Slaughter) delivered a non-Biblical message that taught the value of being a risk taker. Pastor Lamb was also very crass and used foul language during his sermon. Jesus was barely mentioned (but Pastor Lamb sure did talk about himself...A LOT) and the thrust of his message made it sound like it is a sin to NOT BE a reckless risk taker. There was no mention of sin, Christ Crucified for sinners, repentance or the gospel. Fact is, that sermon could have been presented at a business conference, in a group therapy session or a Tony Robbins Infomercial and it would not have sounded out of place. There was nothing Christian about that sermon. It was about as ChristLESS, CrossLESS and man-centered as you could get. [Click Here to Listen](#).

Pastor Gary Lamb and his staff need to stop playing games with church.

The New Apostolic Reformation, Adam-Kadmon, and DNA

Have you noticed lately that most of the big names in the Prophetic and Apostolic Movement are increasingly sprinkling the term DNA into their vocabulary? No longer content to hide their damnable heresies, they are brazenly flaunting their apostasy to the unsuspecting church through their use of double speak. It is a known fact that nothing is harder to find than something hidden in plain sight.

To understand the serious implications of their use of the term DNA, it is important to understand that the Dominionist doctrine embraced by an increasing number of apostate ministries is straight from the occult. [Dominionism/Kingdom Now/Reconstructionism/Theonomy](#) From the very seeds of civilization, Gnostic sects and keepers of the Gnostic Kabbalistic dogma have spoken of humankind evolving into a God-like being. The Kabbala calls this being the Adam Kadmon, or “God Man.” The name “Adam” refers to the entire human race and the term “Kadmon” refers to completion. Thus, Adam Kadmon speaks of a return to our beginning, with all the knowledge, wisdom, and enlightenment of the first “Adam.” Those who embrace this doctrine firmly believe we can return to the Garden of Eden by becoming the Adam Kadmon and creating Heaven on Earth.

One becomes Adam Kadmon through activation of the divine nature. When enough of man kind has activated their divine nature we will evolve and become the “Corporate Christ.” DNA stands for Divine Nature Activation and it is being tossed around in the Christian community quite frequently. Doing a quick online search using the term DNA activation will return a myriad of occult websites for your perusal.

Adherents of these occultic beliefs claim that the inactivated part of our DNA is preventing us from becoming God. They claim we have the divinity and enlightenment of the Adam Kadmon encoded into our DNA. As more and more of us activate this Divine Nature we will corporately become the Adam Kadmon, return to the Garden, and usher in heaven on earth. Is this starting to sound familiar? It should. It is exactly what the false apostles of the prophets of the New Apostolic Reformation teach. It is also what the New Age teaches. The Dominionists cloak their beliefs and their Luciferian agenda in more palatable terms to appeal to the undiscerning. However, it makes no matter what you wrap cyanide in to make it easier to swallow; it is still going to kill you.

Below is a quote from John Lewis from Age to Age Ministries in which explains the use of this term DNA. Interestingly enough, Age to Age ministries, which I had never heard of prior to my research, claims to be a Christian ministry.

“The 97% of your DNA that’s not activated is GOD waiting to be activated in man. You have the information and intelligence of Adam the son of God encoded in your DNA. Access and activation to this information will cause you to live as Adam the God-man in the Garden of your Be-in.

When Divine Nature is completely activated within man, he will be able to naturally transport himself from place to place without the aid of modern transportation. Elijah and Philip in the Bible were only examples of what will become the norm.

As the 97% of unused DNA is activated the 2-Strand double helix becomes a 12 –Strand DNA. Since science doesn’t understand the 97%, they don’t understand the purpose for the 5 extra pairs of DNA strands (shadow strands).

The 12-Strand DNA represents man coming into his Divineness. Mankind created in the image and likeness of God can be nothing less than God. Every seed must bring forth after its kind. Man is the visible expression of the invisible God. This has been the Creators plan from the beginning to multiply Himself to the point of filling All things.

Organized religion spends time shouting and screaming at their followers convincing them that they are not Gods. It seems to be their mission to deceive their followers into believing they are only human that

can not think for themselves. The powers that be realize that if their followers would begin to activate the Divine Nature that would be the end of Organized Religion as we see it today."

Subject: **Regarding "Junk DNA"**

Brother Scott,

I hope you'll bring what I'm writing to the attention of your listeners, as they should be informed that "junk DNA" cannot possibly be of alien origin. I work as a molecular biologist, and the following information is pretty basic stuff for people in my field, so it's just embarrassing that a scientist would try to pass off this patently goofy "alien DNA" hypothesis as truth.

Most non-coding DNA in humans is one of two things: intronic DNA or intergenic DNA, and while neither of them code for protein or RNA structures, they have important roles nonetheless. Without getting into too much detail, intronic DNA allows for alternative splicing, which allows our cells to store the information for several different proteins in one gene. This is how our various antibodies are so carefully tailored by our immune response to handle so many different targets. Intergenic DNA is the DNA in between two adjacent genes, and it contains sequences called "promoters" which react with special proteins to turn gene expression "on" and "off" as needed. These systems are very complex and allow for the tremendous amount of regulation needed for the individual cell to do all that it does in a harmonious manner.

I hope this helps.
Clint

Now let's look at some quotes from various leaders of the New Apostolic Reformation.

"We participated in a leadership meeting on Monday prior to the conference where Dutch released the vision of the Apostolic Alliance. It was a powerful three days of God imparting His DNA into this apostolic movement for national transformation." *April 2008 e-newsletter by Prayer Focus Ministries describing the Apostolic Alliance gathering in Colorado Springs, Colorado*

In an apostolic network the person in charge of maintaining the DNA of the network is the lead apostle, who consults with those he or she chooses, and no one else." ["Goodbye, Theologians," C. Peter Wagner, September 06, 2006, "Guest Commentary," Ministry Today]

God is trying to get us to a place of really understanding who we are. The church is having an identity crisis. When the people of God begin to realize that the **purpose of Jesus on the earth was to birth a new breed of people who would carry the DNA of God within them and bring heaven to earth daily**, we will begin to live with purpose. When the people of God begin to realize their identity as the very offspring of God and that as He is right now, so are we in this world, the church will begin to shake the nations with the power of God." [*"The New Breed - Part 2," Ryan Wyatt, Abiding Glory Ministries, Open Heaven*]

Insight is the God given ability for you to know your Identity, your Kingdom ID; your spiritual DNA; your uniqueness in the earth and in the Body of Christ. There is no one like you. You are predestined for Greatness. *Chuck Pierce School of the Spirit, Faith Summit Church, Monday, March 24, 2008*

The Living Word or Bread of life once again desires to be made flesh through a body of people joined with Him in a holy consummation. As we live not by natural bread alone, but by the living Word proceeding from the mouth of God, the bread of abundant life, even so the hidden truth of godliness will become part of our spiritual DNA."

[*"Shepherd's Rod, Part 1: Blood and Fire," Paul Keith Davis and Bob Jones: Oct 11, 2004*]

I have called the best of every blood line in earth unto this generation...I have elected to bring them forth in this generation...the Elect Generation...even the bloodline of Paul...of David...of Peter, James and John...They will even be superior to them in heart, stature and love for me'...Your children will possess the spirit without measure...They will move into things of the supernatural that no one has ever moved in before...coming into the Divine Nature of Jesus Christ...a Church that has reached the full maturity of the God-Man! This generation...is going to see the beginning of this **World-wide New Order**." *Vineyard Prophecy Conference, 1989*

These Gnostic Kabalistic doctrines are not the new revelations that today's modern false Apostles and Prophets would have you believe. It was this same "ye shall be as gods" lie whispered by the serpent in the Garden long ago which led to the downfall of man and our need for redemption through Jesus Christ in the first place! Is it not fitting that this lie is now the central theme of the last day's apostate church?

And the serpent said unto the woman, Ye shall not surely die (*this was in direct opposition of what God said*): For God doth know that in the day ye eat thereof, then your eyes shall be opened, (*the serpent promises higher gnosis or wisdom*) and **ye shall be as gods**, knowing good and evil. Genesis 4-5

Peter warned Christians of destructive and heretical doctrines being brought into the church in II Peter 2:1-3.

"But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not."

1828 Definition

PRIVILY, adv. [from privy.] Privately; **secretly**.

Peter is warning the church that these false teachers will bring in false doctrine **secretly** with the true doctrine and by so doing will bring the Truth into disrepute! The Truth to them will act as bait by which ensnare the undiscerning. Interestingly enough, the words "make merchandise of you" mean to "traffic" or "trade." Peter is literally warning the church that these false prophets will use people for money. The word "feigned" **FEIGNED**, pp. Invented; devised; imagined; assumed. Their "feigned words" will be devised in such a way as to elicit the greatest response from their audience and manipulate them for their gain.

We are living in a day when a large portion of the church has spiraled into apostasy. In order to avoid deception, we must love and cling to the Truth so passionately that it motivates us to pursue it all costs. We must diligently and prayerfully make studying scripture a priority. We must be concerned enough about what we ingest spiritually to verify it all against His Word. It does not matter who the teaching comes from, or how "right" it might sound, it must be examined in the light of scripture. Dictatorship and tyranny in a natural realm is always been preceded by disarming the people. So it is with the Spiritual. As Christians, our weapon is the Word of God. For many years Satan has been disarming us by slowly removing the Word of God from our every-day lives. Where he has been unsuccessful in complete removal, he has misquoted, twisted and perverted the Word. By so doing, he has brought the Truth into disrepute. Without the Bible we are defenseless against the wiles of the enemy and can easily turn aside to the fables being peddled as truth by the false Apostles and Prophets of today's apostate church.
